Beyond sky, touching lives

Leaving behind most of the reputed names in real estate industry, Krish Group today is a known name for construction of high quality commercial & shopping centers and residential complexes in Bhiwadi. The group has already constructed around 9.4 Lacs sqft of commercial and residential spaces and is aiming to double over the next two years. Krish Group is known for their innovative designs, well-planned amenities and prime locations. The company's top management is sensitive towards understanding the client's requirements and maintains good relations with them.

The Group's financial standing is very strong which boasts of its Zero (0) Debt capital structure and abundant reserves with a huge Land bank in its kitty. The group has very good relation and standing with their bankers, clients, vendors and associates. The group has been able to harness the potential of a select team of highly talented and well-trained professionals. The group is taking new leaps under the dedicated and dynamic leadership of the promoters who in the past has earned a good reputation in the field of finance & has mastered the trade of cement and steel.

Within the little stint of few years in real estate, Krish Group has changed something beyond skylines, they have changed the customers attitude and perception towards quality, timeliness and thus touching their lives.
